S'maradahana

S'mara yang berarti Cinta, Dahana yang berarti Api

Abad 12, Serat Kakawin S'maradahana mengisahkan...

Saat Khayangan Indrakila sedang ditinggal Dewa Siwa menjalani tapa brata, terjadi serangan dari Raja Nilarudraka. Syahdan Para Dewa kemudian bermufakat bahwa hanya Siwa yang mampu mengalahkan. Maka diutus dan bergegaslah Sang Kamajaya untuk membangunkan Siwa dari tapa bratanya, dengan senjata panah pusaka bernama Pancawisesa yang akhirnya membuat Siwa sadar seketika dan teringat akan istrinya, Dewi Uma.

Pancawisesa yang menancap pada Siwa mengakibatkan pikirannya dikuasai oleh lima hasrat : hasrat mendengar yang merdu, hasrat mengenyam yang lezat, hasrat meraba yang halus, hasrat mencium yang harum, dan hasrat memandang yang serba indah.

Namun dalam kehanyutan Siwa segera menyadari, bahwa Kamajaya yang berulah demikian, segera Siwa menyalurkan amarahnya dengan menatap tajam Kamajaya hingga

terbakar habis menjadi abu dan terbakarnya tubuh Sang Kamajaya menggugah sikap sang istri yaitu Kamaratih untuk bela pati dengan menceburkan diri ke dalam api yang membakar suaminya.

Semua sudah terlanjur, penyesalan dan usaha Dewa menghidupkan kembali keduanya juga tidak membuahkan hasil, namun Siwa bersabda bahwasanya jiwa Kamajaya akan turun ke dunia dan masuk ke dalam hati Pria, sedangkan Kamaratih masuk ke dalam jiwa Perempuan.

Ini bukan mengenai kesedihan karena ikut mati, bukan pula kesalahan karena dianggap lalai dalam melaksanakan Dharma sebagai Dewa, ini adalah jawaban alam semesta, sebuah kesadaran sikap, melebur dan menyatu dengan belahan jiwa, terhormat dan membuat para Dewa bersabda hingga keduanya akan dikenang abadi sampai akhir jaman. Kobaran api yang membakar serta melebur keduanya jauh dari kesan mengerikan, justru terlihat sebuah kobaran api cinta magis yang nampak menari-nari indah, tidak ada kesakitan, tidak ada pula tangis kesedihan. Mereka berdua benar-benar direstui oleh alam semesta dan isinya, hingga khayangan pun bergejolak hebat.

Mereka tampak *nyawiji* laksana gerak Merak yang sedang menari atau *Ngigel*, bersahutan dan menunjukkan pesona warna mereka. Merak tidak hanya dianggap sebagai keindahan, namun juga dianggap sebagai "*Trisna Tulus Sih Linambaran*" atau Ketulusan berdasarkan Cinta dan Kasih Sayang.
